

VEHICLE RESTRICTIONS

The number of cars kept on premises may not exceed the number of cars stated on application, without prior written authorization.

Watercrafts, snowmobiles, trailers, recreational vehicles, ATV's, buses, or commercial trucks or vans displaying commercial signage and/or visible racks or equipment are not permitted to be parked outside of the garage at any time. Any vehicle with a 9,000 pound or greater maximum gross weight rating is not permitted to be parked outside of the garage at any time.
